Servicers must report delinquency status information to Fannie Mae through our servicing solutions system in accordance with D2-4-01, Reporting a Delinquent Mortgage Loan to Fannie Mae.

For COVID-19 payment deferral, servicers must report a Loan Activity Record (LAR) in the month of evaluation (or in the processing month, if applicable) at least one business day prior to completing a COVID-19 payment deferral in in Fannie Mae’s servicing solutions system.

For payment deferral, servicers must report a LAR with the borrower’s full monthly contractual payment due in the month of evaluation (or in the processing month, if applicable) at least one business day prior to completing a payment deferral in Fannie Mae’s servicing solutions system.
